GRATEFULLY GATHERED

We are so grateful to be here. The change in location has set us up for further growth and development as a youth group. We will continue to operate with our normal events and meetings. The new space at Gladstone Church of the Nazarene is located off of Jennings Road. Pastor Larry and their church body are excited to partner with us and give us space to grow further in spiritual depth and numerically. They have a entire youth wing complete with a gym that we can use to strengthen, equip and encourage students to grow in their walk with God. Thank you for your continued support over the years. We will continue to go after being rooted, built and grateful in Him.

Each February we get an extremely recognized reminder to express our love to one another. Our hope is that it is more significant than a card or chocolate or even these sweethearts in front of you. We are so loved by God that every day is a gift and opportunity to share this love with those around us. The unconditional love of God has been changing lives for thousands of years. It is just as powerful now as it was back then. His love is true and defined by Him. God is love. Not like or similar to anything else. From this love He has given us we are called, commanded and compelled to share love with those around us. This type of love is confusing, refreshing, healing and restoring. Our hope is in Jesus and that in our time together you can see and experience the love of God in how you are treated and cared for here at Thrive. We love you and are looking forward to the year ahead.
