Another year has gone, and a new one is here now. Fresh starts can be exciting and nerve wracking. Thinking differently often means accepting that the old way was not working or was even causing harm. We can often be tricked into all sorts of things by what we think. We didn't think anyone would get hurt, we didn't think anyone saw or we didn't think anyone cared. These thoughts need to be renewed by Jesus. We need to think about things and people the way He does. It may be as simple as a perspective shift or as complex as a totally new way to start the day. Each thing we allow into our minds needs to be washed by Jesus and filtered through His word. In Him we can pursue righteousness (doing the right thing because it is the right thing) and holiness (being okay with purity and not mixing things). We have been made to look like Him. May 2025 be a renewed year in Jesus!

GRATEFULLY GATHERED

We are so grateful to be here. The change in location has set us up for further growth and development as a youth group. We will continue to operate with our normal events and meetings. The new space at Gladstone Church of the Nazarene is located off of Jennings Road. Pastor Larry and their church body are excited to partner with us and give us space to grow further in spiritual depth and numerically. They have a entire youth wing complete with a gym that we can use to strengthen, equip and encourage students to grow in their walk with God. Thank you for your continued support over the years. We will continue to go after being rooted, built and grateful in Him.
