Building ourselves up in a holy faith requires dedication. Understanding the love and mercy God has for us and patiently waiting for our eternal home. It is fun to build when we know what and who we are working with. The Holy Spirit gives us the tools, character and the strength to build something that will withstand tough times. We get to build and grow our community of faith by reflecting the love and mercy we have been given through Christ. By His death and resurrection, we have access to abundant living. As we celebrate this again this year it is our hope that you continue to grow your faith, deepen your trust in God and share your story with your friends and family. People see what is being built. They might ask questions or offer help. It is a privilege and a joy to grow in our faith and trust in Jesus together. We love you and are grateful you are here.

### GRATEFULLY GATHERED

We are so grateful to be here. This month we will be 3 years old as a church family.

The new space at Gladstone Church of the Nazarene is located off of Jennings Road. Pastor Larry and their church body are excited to partner with us and give us space to grow further in spiritual depth and numerically. They have an entire youth wing complete with a gym that we can use to strengthen, equip and encourage students to grow in their walk with God. Thank you for your continued support over the years. We will continue to go after being rooted, built and grateful in Him.
